**Subject:** HODs Meeting Agenda - 14 July, 12-1 pm

Dear CALS HODs:

Just a quick reminder that we will have a HODs meeting **Tuesday 14 July from 12-1 pm** in my Zoom room immediately after our check-in with the Dean and EC:

<https://arizona.zoom.us/my/johnkoprowskiuarizona>

We will not have clarity and budget numbers as originally hoped but we do have other topics:

- 1.) Rod Wing and Parker Antin wish to discuss a new institute in the middle east that would be of considerable scope (15-20 min).
- 2.) Welcome our students back to campus with some festivity (5 min).
- 3.) CALS Instructional Design Shop updates (5 min).
- 4.) HODS leadership in 2020-21 (5 min).
- 5.) General discussion on challenges ahead, COVID-19, etc. (20 min).

I know that not everyone can make this time but it was our best opportunity to have a meeting this month as requested by several HODS. Please let me know if there are other topics to add to the list.

Sincerely,

John L. Koprowski, Professor and Director
